## **IFAC Foundation**

### **Program for Support of Young Authors' Attendance at the XVII IFAC World Congress**

According to the Program for Support of Young Authors' Attendance at Major Conferences on Automatic Control, the IFAC Foundation is open to consider applications for support of young authors' attendance at the XVII IFAC World Congress, to be held in Seoul, 2008.

Eligible for support are authors of accepted technical papers – citizens of a developing country – whose age will be less than 30 years during the conference. Only one author per paper can be supported. A limited number of applications will be supported.

A developing country is understood to be one which not on the attached list of high income countries.

The support consists of a lump sum to help defray the cost of registration, accommodation and travel expenses related to the Congress.

Applications should be addressed to the conference organizer by eligible authors.

A presentation of the paper at the conference by the winner is a requisite for support.
